

【Enrollment by origin (Hiroshima / other prefectures / international)】

As of May 1, 2026 (persons)

Fall admissions are not included for AY2026. Figures are classified based on the location of the student's high school (or equivalent).

“Within the prefecture” refers to students who graduated from high schools located in Hiroshima Prefecture.

Individuals who passed the High School Equivalency Examination are included in “outside the prefecture,” and graduates of international schools are included in “international.”
